

Employment of Disabled People Policy Statement

1. It is the Association's policy that disabled people should have full and fair consideration for all job vacancies for which they are suitable applicants. This means that all applicants with a disability who meet the minimum criteria for a job vacancy will be interviewed and considered on their abilities.
2. The Association will continue to maintain in employment, wherever practicable, employees who become disabled during their working life and will help with their rehabilitation and retraining.
3. The Association wishes to help disabled people to realise their full potential by ensuring that they receive equal consideration for career development and promotional opportunities.
4. Wherever practicable, the Association is prepared to modify job requirements, procedures or equipment to make full use of an individual's ability.
5. In order to make this policy work effectively, close links will be maintained with the local Disability Employment Adviser and other specialist voluntary bodies, where appropriate.
